

A word from our Partners...

"Signing...connects us with a network of organizations with services that complement ours, providing wholistic case management to better serve our veteran community."

- James K. Stiff, President of Goodwill Industries of Middle Georgia

"...we have this partnership... to ensure that there is access to referrals and resources for the Veterans that we are serving..."

-Courtney Denton, Board Chair of the Life House Women's Shelter

"Being a part of the SC Veteran Coalition creates positive opportunities for Veterans in our program because it enables our social worker to diversify our network and resources..."

-Stephanie Dasher, Warrior Surf Executive Director

SOUTH CAROLINA VETERAN COALITION

Join other Veteran service providers to help improve care, and connect Veterans, spouses, and their family members to resources in the state of South Carolina.

How it works

Profile Creation

Clients create a Profile with basic contact information and relevant service history.

Request Services

The client chooses resources needed from South Carolina Veteran Coalition partner organizations. From there, a referral can be made.

Organization Alerted

The organization selected receives the referral via email and connects with the client within 72 hours.

Successful Connection

Organizations conduct intake and connect clients with services.

Outcome Survey

Both the client and the organization complete feedback surveys after successful connection.
